

Working together to link individuals and families affected by Alzheimer's disease and other dementias to a community of learning, services and support.

AlzheimerSociety

ALBERTA AND NORTHWEST TERRITORIES

First Link <sup>®</sup> connects individuals and families to:	Learning	Dementia education programs offering information about diagnosis and disease progression, day-to-day living, positive approaches to care, strategies for responding to challenges and how to prepare for the future
	Services	Alzheimer Society programs and services, information about other community and health services
	Support	Support groups and individual support
Who to refer to First Link®?	<ul> <li>Individuals diagnosed with Alzheimer's disease or other dementias</li> <li>Care partners and family members</li> </ul>	
When to refer?	<ul><li>As soon as a diagnosis is made</li><li>At any other time during the progression of the disease</li></ul>	
Why refer?	<ul> <li>It is often difficult for individuals and families to ask for help – a referral provides the first step to getting connected with the Alzheimer Society.</li> <li>First Link® lets health professionals focus on the medical aspects of dementia care. Staff at the Alzheimer Society can provide ongoing support, education and help in navigating the health care system.</li> <li>Patients receive early access to information, services and ongoing support throughout the continuum of the disease.</li> </ul>	
Who can make a referral?	• Physicians	Health professionals     Community organizations and care homes
How to refer?	<ul> <li>Ask the individual or family member for permission to forward their name to the Alzheimer Society's First Link® program.</li> <li>Complete the one page referral form and fax it to First Link® at 1-877-788-5993 or email it to firstlink@alzheimer.ab.ca</li> </ul>	
What happens when the Alzheimer Society receives the First Link® referral?	<ul> <li>Once the referral is received, a First Link<sup>®</sup> coordinator will call the individual or family member to discuss their circumstances.</li> <li>A package, with information specific to their needs, will be sent along with contact information for community and health services in the area.</li> <li>Follow up contact will be made at six, 12 and 18 months, or sooner if required.</li> <li>Once contact has been made with the individual or family, a confirmation letter will be sent to the referring professional.</li> </ul>
